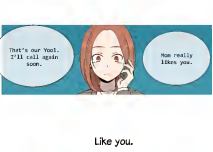
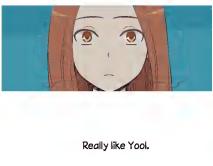
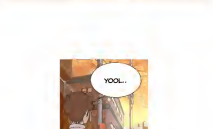
가우시안블러







Like you.

Really like Yool.

Even if I try it'll be no use. I can't even sympathise with her...

*crying sound

What's wrong? Did something happen at school?

You're not usually like this. It's weird.
What is?
Huh..?

Do you know everything about me?
So do I have to laugh and say bullshit all the time?

Yooh...
You didn't seem like it but you smoked and tried to look cool in front of me.

But why can't I? Can't I cry and be angry? Can't people be like this? You might not know but before I...

.....

Hey... Even if I don't know what happened, I'm not very good at making others feel better. I can't sympathise with your crying, it's hard to empathise...

But still ...

I can't solve your problems or make you feel better but I can be with you if you need it

.....

.....

Then let's run away.
